

<b>Job ID:</b>	297DJ
Job Title:	Service Specialist
Degree Requirements:	Technical School Preferred
Years of Experience:	3 years
Type of Position:	Direct Hire
Location:	Kentucky
Salary Range:	TBD
Travel Required:	Yes

We are actively searching for an **Electrical Voltage Technician for a Service Specialist**. The Service Specialist will tear down, repair and rebuild low and medium voltage breakers. In addition, the Service Specialist will test and maintain industrial and utility transformers, circuit breakers and other devices on the customer's site. This position is required to provide technical support assistance on-site to field service personnel on a project-by-project basis. This support does include emergency service work, which can include evening, weekends, and holiday work.

### **Responsibilities**

- \* Complete mechanical work and repairs on breakers including wiring, painting, and parts replacement
- \* Utilize and accurately read meters, read schematic, and read and plot curves
- \* Testing power transformers including power factor, and transformer turn ratio ( TTR )
- \* Perform and lead a crew in the field for testing / maintenance / repair of breakers, transformer, switchgear, motor control and other electrical devices

### **MUST HAVE REQUIREMENTS** for this position are:

- \* Minimum of 3 to 5 years of experiences as a Switchgear / High Voltage Technician
- \* High School Diploma or Technical School Diploma preferred
- \* Be proficient with high current test set and time current curves
- \* Ability to follow and carry out oral and written instructions
- \* Ability to solve electro-mechanical problems using mathematical concepts, statistic, geometry, and trigonometry
- \* Ability to read company manuals and reports, workplace rules and procedures
- \* Must be able to communicate and understand verbal and written English

### **PLUSSES** in this position are:

- \* Having a Technical Diploma with Switchgear and relay maintenance experience
- \* Being a team player
- \* Good communication skills

If you meet these requirements and wish to be considered for this position, send your résumé to us in a Word document at [Resumes AT PinnaclePlacementGroup.com](http://ResumesATPinnaclePlacementGroup.com) mentioning the **Job ID** and the **Job Title** in the subject line of your email.

**In your email or cover letter, please provide us a short narrative detailing your experience and expertise as it applies to this position. Also, please provide us with your *MINIMUM* salary requirements.**
