

Job ID: **RK072911B**
Job Title: Construction Project Director
Degree Requirements: Bachelors Degree
Years of Experience: 10 - 15
Type of Position: Direct Hire
Location: Atlanta, GA area
Travel Required: Less than 15%

Our award winning client has an **IMMEDIATE NEED** for a Construction Project Director in the Atlanta, GA area who has 10 – 15 years of progressive leadership responsibilities in an industrial construction environment. The client offers an excellent benefit program that includes medical, dental, prescription, vision, life, disability, FlexAccount, 401(k), stock ownership, and more. Relocation assistance is budgeted for this position.

The **MUST HAVE REQUIREMENTS** for this position are:

- * 10 – 15 years work experience with verifiable progression in leadership responsibilities in a heavy industrial construction environment
- * Site management expertise
- * Proven record managing large EPC, Construction, or Construction Management projects (Petro Chemical, Power Generation, Mining & Minerals, or Gas & Oil)

A **PLUS** in this position is:

- * 4 year degree in a relevant engineering or construction discipline

The **RESPONSIBILITIES** of this position include but are not limited to:

- * Provide overall management of large and complex projects
- * Project performance including safety, project controls, quality, purchasing, project status, client relations
- * Possibly perform some or all of the responsibilities of a Project Manager when necessary
- * Participate in proposals & presentations
- * Assist in securing new projects
- * Participate in estimate preparation
- * Work with subcontractors
- * Ensure project safety & environmental standards
- * Mentor, coach, & supervise Project Managers & Project Staff
- * Active participation in project planning
- * Review of estimates
- * Ensure advantageous utilization of project assets & resources (labor, material, etc)
- * Monitor & report project performance (safety, environment, scheduling, equipment, costs, material, manpower, quality, equipment maintenance)
- * Prepare & review status reports with senior management
- * Negotiate claims / disputes with suppliers, sub contractors, & clients
- * Project close-out
- * Act as lead in developing & submitting construction claims
- * Interact with internal & external clients furthering company relationships

In your email or cover letter, please provide us a short narrative detailing your experience and expertise as it applies to this position.

If you meet these requirements and wish to be considered for this position, send your résumé to us using Word 97 -2003 at Resumes@PinnaclePlacementGroup.com mentioning the **Job ID** and the **Job Title** in the subject line of your email.
