

Job ID: **RK081911A**
Job Title: Staff Production Engineer
Degree Requirements: Bachelors Degree in Petroleum Engineering or Related Discipline
Years of Experience: 15+
Type of Position: Direct Hire
Location: Southwestern Pennsylvania
Travel Required: Less than 15%

Our client has an **IMMEDIATE NEED** for a Staff Production Engineer who has a Bachelors degree in Petroleum Engineering and a minimum of 15 years oil or gas industry experience. Relocation assistance is budgeted for this position

The **MUST HAVE REQUIREMENTS** for this position are:

- * Bachelors degree in Petroleum Engineering or a related discipline
- * 15+ years work experience in the oil or gas industry
- * Hands on problem solving experience as a Production Engineering
- * Have a strong theoretical background
- * Be able to apply nodal analysis & other advanced methods to solve production issues
- * Verifiable problem solving skills
- * Prior experience leading multi-disciplinary teams
- * Prior experience developing assets to extract full potential during asset life cycle
- * Full understanding of engineering packages (artificial lift, economic analysis, reserve management)

PLUSSES in this position are:

- * Expertise with OGRE Systems Software (pyxis, pyxis Pro, pyxis Pro Global)
- * Expertise adding value by enhancing undeveloped assets in gas or oil production

Reporting to the Production Engineering Manager the **RESPONSIBILITIES** of this position include but are not limited to:

- * Identification, evaluation, & proposal of potential projects, workovers, & stimulation
- * Follow projects from inception to completion
- * Identify new production opportunities
- * Optimize production using equipment upgrades & process changes
- * Track present projects & production
- * Minimize water production
- * Apply artificial lift methodologies
- * Assist Field Operations Staff in problem solving on a daily basis
- * Act as team leader (lead engineer) to mentor & develop engineers with less experience

If you meet these requirements and wish to be considered for this position, send your résumé to us using Word 97 -2003 at Resumes@PinnaclePlacementGroup.com mentioning the **Job ID** and the **Job Title** in the subject line of your email.

In your email or cover letter, please provide us a short narrative detailing your experience and expertise as it applies to this position. Also, please provide us with your salary requirements.
